The Power of 100

positive • proactive • purposeful

The Power of 100 is simple.
100 women each donate \$100 resulting in an impactful \$10,000 donation to a local charity.

The Power of 100...

giving Sunriver Women's Club members the opportunity to have a **positive** impact on our community in a **proactive** and **purposeful** way.

Questions & Answers about the Power of 100

Q: What is the Power of 100?

A: The Power of 100 is a direct contribution program adapted from the successful 100 Women Who Care movement. 100 Women Who Care is a group-based philanthropy model where members choose the charity their collective contribution will support.

Q: Why is SRWC doing this? We already raise a significant amount of money for charity.

A: The recent survey of SRWC members showed interest in expanding our philanthropic impact in the community. The Power of 100 will accomplish this by allowing us to identify and support a specific need in the community.

Q: Why should I join the Power of 100?

A: There are many ways we all give to the SRWC and to our community. The decision on whether to make a contribution is a personal one, therefore each member should decide if joining the Power of 100 is right for them. The Power of 100 is a program you can choose to join, just as you join a Book Club or Hiking Group.

Q: Do I have to give \$100? Will you accept smaller contributions?

A: In order to join the Power of 100, members must make a donation of \$100 or larger. However, members wishing to make smaller contributions are welcome to donate to the Philanthropy Program which funds our traditional grant program.

Q: Can I do installments for my \$100 contribution?

A: Unfortunately, the SRWC doesn't have the ability to track multiple payments for this program. Can't do \$100 this month? We can wait for you! Donations will be accepted through the end of April 2019.

Q: I've heard of 100 Women Who Care program. Why aren't we running our program the same way?

A: We have adapted the 100 Women Who Care program to fit within the existing structure of the SRWC. Therefore it will run through our program year – the Welcome Back Event through the Annual Giving Luncheon. Since the SRWC is the sponsor of the program, all members have a voice in selecting the signature project.

Each year the Sunriver Women's Club will select an area of focus for our signature *Power of 100* project.

This year's project will serve the vulnerable children and youth in South Deschutes County.

When 100 women come together each becomes a powerful force for doing good while lifting up her community.

We are each strong, but together, we are stronger.
